“In this day and age, it’s hard to find a company you can trust. Medical e-Bill, Incorporated was recommended to me by a friend, and now I know why – the quality of service I received was outstanding. Keep up the good work!”

James Corregano, DC (New York)

"Medical e-bill and staff have been handling my insurance claims submissions, verifications and follow-up since September of 2002. My collections were behind over six months and the staff at Medical e-bill came in and cleaned up my account. I was paid on all of my claims within three weeks. I am very pleased with the services they provide me and I would absolutely recommend their services to any Health Care Professional!"

"I have been relying on Michelle Rollins and the staff at Medical e-bill as my insurance billing company since October of 2001. Michelle maintains a consistently high standard of customer service, which in this day and age of recorded messages and automation is not only rare but extremely valuable. She is efficient, detailed, professional, reliable and has great integrity. I highly recommend Michelle and the staff at Medical e-bill as a strong asset in a professional partnership!"
